

KRISTAL

PROFESSIONAL, MULTIPURPOSE DETERGENT FOR GLASS, PVC, CERAMIC

Description:

Kristal is a scented, super effective detergent for use on all hard surfaces in plastic, glass, mirrors, windows, formica and ceramic. Product breaks down dirt and grime with ease. Due to its particular formulation, the solution has been studied not to leave surfaces residues or patinas and will avoid marking caused by fingerprints. When used regularly, Kristal will guarantee an increased surface shine and a fast drying effect.

How to use:

We highly recommend that the product is always tested first in an inconspicuous area so to determine the products compatibility and final result with the material to be treated. In all cases please maintain packaging tightly closed and always out of the reach of children.

Worktops and surfaces: Spray product directly to surface to be cleaned, allow a few minutes contact time and wipe off using clean cloth, sponge or paper towel.

Dilutions:

Product is ready for use in trigger format.

Notes:
