

# MIXCOTTO

## WATER BASED, “SATIN” PROTECTIVE FINISH FOR STONE AND TERRACOTTA

<b>Description:</b>	MIXCOTTO is a self polishing, anti stain protective solution for the application of internal floor surfaces in natural stone and terracotta. Highly resistant in high traffic areas, product leaves a pleasant satin effect on material, protecting eventual open pores from dirt and grime, allowing a fast and easy maintenance cycle of surface.
<b>How to use:</b>	<p>Wear suitable PPE equipment during product use (gloves, eye protection and clothing). Protect surroundings using PVC sheeting and tape.</p> <p>Apply two coats by cloth, lambswool applicator mop or by low pressure spray to clean surfaces. Allow 2 hours curing time between each coat before allowing to dry and resuming use of floor surface.</p>
<b>Dilutions:</b>	n.a.
<b>Notes:</b>	n.a.
<b>Coverage:</b>	Estimated coverage of product depending on surface is from 8 up to 30 m2. Traditional terracotta: 8 to 12m2 – polished terracotta from 25 -30m2 - Natural stone: from 20 – 30 m2
<b>Packaging:</b>	1000 ml bottles available in boxes of 12 pieces - 5000 ml containers available in boxes of 2 pieces - 10 l. and 60 l. containers available on request

Whoever before using this product, should fully read completely the product label, the technical data sheet and material safety data sheet or contact us directly for any information. We highly recommend to follow precisely all indications within supplied documentation. We highly recommend that the product is always tested first in a inconspicuous area so to determine the products compatibility and final result with the material to be treated. In all cases please maintain packaging tightly closed and always out of the reach of children. Always supply adequate ventilation when using product indoors and do not eat or drink during product use. Our technical advice, whether verbal or in writing is given in good faith without warranty and should not be considered binding towards third parties. We highly suggest that product is used always under the best professional working conditions possible. Product use and application is under the sole responsibility of the user and beyond our control. We guarantee product quality as of our production standards and supplied terms and conditions. Should, in spite of this, liability be established for any damage, it will be limited to the value of the goods delivered by us and used by you.
