

NO STAIN

STAIN REMOVER – WINE AND COFFEE BASED STAINS

Description:

NO STAIN is a water based formulation of oxidizers formulated for the removal of fresh and recent wine, coffee and nicotine based staining from polished/un polished marble, granite and natural stone surfaces. NO OIL will not damage or etch the stone surface and is highly recommended for use on surfaces subject to staining such as tables, worktops, food areas restoring natural aspect to material.

How to use:

Protect and cover all surroundings and metallic fixings using PVC sheeting and tape. Wear suitable PPE equipment during product use (gloves, eye protection and clothing). Product is ready for use. Shake bottle vigorously before using.

Apply a application of NO STAIN to the stained area, covering it completely with product. Leave for product to work for approximately 1-2 hours or until product dries before removing all residues with a damp cloth. Rinse and remove residues. Based on type of stain, multiple applications may be required.

Dilutions:

n.a.

Notes:

To facilitate future protection, cleaning and maintenance we highly suggest the surface is protected using recommended sealer for type of material.

Coverage:

Packaging:

1000 ml bottles available in boxes of 12 pieces -

Whoever before using this product, should fully read completely the product label, the technical data sheet and material safety data sheet or contact us directly for any information. We highly recommend to follow precisely all indications within supplied documentation. We highly recommend that the product is always tested first in a inconspicuous area so to determine the products compatibility and final result with the material to be treated. In all cases please maintain packaging tightly closed and always out of the reach of children. Always supply adequate ventilation when using product indoors and do not eat or drink during product use. Our technical advice, whether verbal or in writing is given in good faith without warranty and should not be considered binding towards third parties. We highly suggest that product is used always under the best professional working conditions possible. Product use and application is under the sole responsibility of the user and beyond our control. We guarantee product quality as of our production standards and supplied terms and conditions. Should, in spite of this, liability be established for any damage, it will be limited to the value of the goods delivered by us and used by you.
