

RIFLESSO

PASTE WAX FOR MARBLE, GRANITE AND TERRACOTTA

Description:

RIFLESSO is a specific polishing paste wax to renew and to increase surface gloss of marble, granite, agglomerate, natural stone and terracotta surfaces. Based on product formulation, RIFLESSO guarantees a long durable and resistant gloss protecting surface from soap deposits when used on worktops. Ideal for hiding natural defects and blemishes on stone surface.

How to use:

Protect and cover all surroundings and metallic fixings using PVC sheeting and tape. Wear suitable PPE equipment during product use (gloves, eye protection and clothing). Product is ready for use.

Apply a small amount of RIFLESSO to the area to be treated by cloth using circular movements allowing a complete product penetration. Allow 30 to 60 minutes curing time before proceeding to buff surface manually using a felt pad or fine steel wool pad until desired gloss is obtained.

Dilutions:

n.a.

Notes:

For future surface maintenance of treated surface, we highly suggest using water based detergents as solvent based products are considered aggressive on treatment. To remove previous applied applications, please use the product SOLV with green or black felt pads.

Coverage:

Depending on surface to be treated, 1kg of product will cover from 10 – 50 m²

Packaging:

1000 ml bottles available in boxes of 10 pieces

Whoever before using this product, should fully read completely the product label, the technical data sheet and material safety data sheet or contact us directly for any information. We highly recommend to follow precisely all indications within supplied documentation. We highly recommend that the product is always tested first in a inconspicuous area so to determine the products compatibility and final result with the material to be treated. In all cases please maintain packaging tightly closed and always out of the reach of children. Always supply adequate ventilation when using product indoors and do not eat or drink during product use. Our technical advice, whether verbal or in writing is given in good faith without warranty and should not be considered binding towards third parties. We highly suggest that product is used always under the best professional working conditions possible. Product use and application is under the sole responsibility of the user and beyond our control. We guarantee product quality as of our production standards and supplied terms and conditions. Should, in spite of this, liability be established for any damage, it will be limited to the value of the goods delivered by us and used by you.
