

DETERMUSCHIO

MOULD, ALGAE, LICHEN AND BLACK SPOT REMOVER

Description:

Alkaline based detergent soluble in water for the removal of mould, algae or lichens from natural stone materials, walls, paving and patios caused by persistent presence of moisture and humidity, nearby plants or areas exposed to water. DETERMUSCHIO acts deeply, effectively and quickly on any stone surface without altering the support, removing all staining. Product recommended also for clean-up on patios of organic staining from trees, leaves, wood and plants.

How to use:

Protect and cover all surroundings and metallic fixings using PVC sheeting and tape. Wear suitable PPE equipment during product use (gloves, eye protection and clothing).

Apply DETERMUSCHIO by low pressure spray or directly to the areas to be cleaned by brush. Based on type of cleaning to be done, product can be diluted in water as of instructions. Allow a contact time of 30 minutes before proceeding to scrub surface. Remove all residues by wet vacuum or manually and proceed to rinse surface. Depending on result or severe staining, application can be repeated.

Dilutions:

Product can be diluted using a ratio of 1:1 with water.

Notes:

-

Coverage:

4 – 8 m² per litre

Packaging:

1000 ml bottles available in boxes of 10 pieces - 5000 ml containers available in boxes of 2 pieces - 10 l. and 60 l. containers available on request

Whoever before using this product, should fully read completely the product label, the technical data sheet and material safety data sheet or contact us directly for any information. We highly recommend to follow precisely all indications within supplied documentation. We highly recommend that the product is always tested first in a inconspicuous area so to determine the products compatibility and final result with the material to be treated. In all cases please maintain packaging tightly closed and always out of the reach of children. Always supply adequate ventilation when using product indoors and do not eat or drink during product use. Our technical advice, whether verbal or in writing is given in good faith without warranty and should not be considered binding towards third parties. We highly suggest that product is used always under the best professional working conditions possible. Product use and application is under the sole responsibility of the user and beyond our control. We guarantee product quality as of our production standards and supplied terms and conditions. Should, in spite of this, liability be established for any damage, it will be limited to the value of the goods delivered by us and used by you.
