

DETERSAN

PROFESSIONAL, MULTI USE DETERGENT SANITIZIER

Description:

Detersan is a sanitizer, multi-use detergent created for the cleaning and sanification of hard surfaces. Product is scented, non-corrosive, non-toxic solution is not harmful for the end-user. Product is highly recommended for use on tables, chairs, worktops, bar surfaces, shelves, changing tables or on marble, granite and porcelain surfaces. Due to its formulation, product does not leave surface residues or patinas and does not require rinsing. Product is safe for food contact areas. Available in larger formats for floors and larger surfaces.

How to use:

We highly recommend that the product is always tested first in an inconspicuous area so to determine the products compatibility and final result with the material to be treated. In all cases please maintain packaging tightly closed and always out of the reach of children.

Worktops: Spray product directly to surface to be cleaned, allow a few minutes contact time and wipe off using clean cloth, sponge or paper towel.

Floors and larger surfaces:

Dilute one cap of detergent into a bucket of water and proceed to clean surface using traditional wet mop system.

Dilutions:

Product is ready for use in trigger format. Product to be diluted in larger packaging: 1:30
